

Believers and moral issues.

What will I learn about?

<p><u>ISSUES</u> to consider.</p> <ul style="list-style-type: none"> • What are moral issues? • Why do people respond differently to moral issues? 	<p><u>LIFESTANCE</u> to reflect on.</p> <ul style="list-style-type: none"> • How do I workout what is right? • What is my view on certain issues?
<p><u>RELIGIOUS</u> views on moral issues to investigate.</p> <ul style="list-style-type: none"> • Different views on moral issues. • The beliefs that influence different moral stances. 	<p><u>MEANING</u> of symbols to understand.</p> <ul style="list-style-type: none"> • How do believers show their attitudes towards issues? • What religious beliefs are shown by actions and symbols?

What should I achieve?

<p>ISSUES ALL should be able to describe a response to a moral issue. MOST should be able to describe different responses to the same issue. SOME might see the reasons why people respond differently in moral issues.</p>	<p>LIFESTANCE ALL should be able to express an opinion on a moral issue. MOST should be able to explain their views with reason and evidence. SOME could give different viewpoints from their own, showing understanding of them.</p>
<p>RELIGION ALL should know some beliefs that influence religious people's responses. MOST should be able to make clear links between specific beliefs and believer's responses. SOME could explain how specific beliefs affect everyday decision making for a believer.</p>	<p>MEANING ALL should be able to recognise symbols used by people to show their views on a moral issue. MOST should explain the specific meaning of such symbols. SOME could explain how symbols can have different uses.</p>

MOST Year 9 student's learning should be between STEP 5 and 6 in R.E.

Learning outside of the classroom: project on a contemporary moral issue.
