

16th April 2008

Dear Parent/Carer,

As you are aware the National Union of Teachers are planning to hold a one-day strike on Thursday 24th April 2008.

Having considered the implications of staff absence and health and safety issues we have made the decision to close the school to students and hold a training day for staff who are not members of NUT.

Schoolwork will be set for all classes that are normally timetabled for Thursday to be done at home. Students can also access SAM Learning via their computers to assist with revision.

We apologise for any inconvenience that this may cause.

Yours sincerely,

Mr B Cooper
Headteacher
