29th January 2019

Dear Parent/Carer

The Big Bang Fair – NEC Birmingham - 15th March 2019

We will be taking a group of students to The Big Bang Fair at the NEC in Birmingham on Friday 15th March 2019. The Big Bang UK Young Scientists & Engineers Fair is the largest celebration of science, technology, engineering and maths (STEM) for young people in the UK.

The Big Bang Fair aims to show young people (primarily aged 7-19) the exciting and rewarding opportunities out there for them with the right experience and qualifications, by bringing classroom learning to life.

The Fair gives young people the chance to try out over 100 hands-on activities, see dozens of mind-boggling shows, hear from inspiring engineers and scientists from some of the UK's biggest companies and find out about the opportunities available in STEM.

We will be leaving Nether Stowe at 9am and aim to return to school at 3pm so students will need a packed lunch. We will be travelling to the NEC by coach and students will be expected to wear seat belts at all times. Uniform must be worn. The cost of the trip is £5.53.

Places are limited to 45 so if you would like your son/daughter to attend please fill in the permission slip and return it to Ms Simmonds in the Science Prep Room by 13th February. The first 45 slips to be returned will have the cost added to parent pay, please pay this by 25th February or your place will be offered to someone else.

Yours faithfully

J Colin

Mr J Colin
Director of Learning

.....

I would like my son/daughter Form
to attend The Big Bang Fair, I agree to pay the costs via parent pay by 25th February

Signed..... Parent/Guardian Date
