25<sup>th</sup> February 2019

Dear Parent / Carer

### GCSE Geographical Skills and Fieldwork.

As part of the government's new specifications at GCSE all students are required to undertake fieldwork in relation to processes in both physical and human geography. They will then be examined on the knowledge gained during this visit in Paper 3. This is a **compulsory** part of the new specification and schools and colleges are required to provide a fieldwork statement that confirms each student has undertaken geographical fieldwork.

In order to fulfil these, requirements the Geography department will be taking students off school timetable to complete their fieldwork. The dates for this are the 25<sup>th</sup> – 27<sup>th</sup> March 2019. On two of these three days, students will leave school site accompanied by a member of staff. One day they will visit Lichfield City centre and the second Stowe Pool. There will be times during data collection where your child is unaccompanied.

Please complete and return the reply slip below giving permission for your son/daughter to attend the fieldtrip detailed above. You are also requested to provide information regarding any medical conditions your child may have and emergency contact details.

If you have any further queries please contact me at school.

Yours sincerely

*Miss Britcliffe*
