13th November 2018

Dear Parent/Carer

History 6th form trip – Houses of Parliament

On Monday 21st January 2019 there is a History 6th form trip to the Houses of Parliament. This will be a rare opportunity to see the centre of British Government and an essential part of many of the topics we have studied.

We are requesting a payment of £25.59 towards rail cost for the return journey to London. It is essential therefore, that you return the slip at the bottom of this letter by 5th December if you wish to take advantage of this opportunity. The above payment should be made on Parent Pay and although this is the preferred option of payment, if you wish to pay cash, please contact the school office to request a bar code letter, this will then allow you to pay for the trip via pay point facilities. **DO NOT put money onto your child's school dinner money account.** They will also need to bring approximately £10 for travel to and from Euston to Parliament and a packed lunch.

Students will be expected to wear formal business attire but ties will not be necessary. Further details will be provided with regard to times nearer the date.

Yours sincerely

M Dolman

M Dolman
College Head and Teacher of History

.....
To: Mr Dolman

I wish/do not wish my child to take advantage of the History 6th Form Trip to the Houses of Parliament as outlined in your letter of 13th November 2018.
