21 March 2019

Dear Parent or Carer,

As you will have seen from my previous letters and information on the website, the positive partnership forged between parents and the school can only work to make the school stronger and improve your child's experience and progress.

To this end, effective communication is always important. As you may well have already noticed, we have increased the information going out through Twitter and the developments to the website which will help you to discover more about the exciting events in school as well as how you can help support your child's work and progress.

We launched informal parental forums this year and the presentation and questions from the meeting in November are available on the website. Thank you to the parents who attended and contributed.

Each forum provides an informal opportunity for you to both find out what is happening in school as well as share any views. The topics covered in this forum will be Sixth Form development; curriculum and homework; teaching and learning and an update on the build project.

The forum will be held on **Thursday 28th March, in the Little Theatre from 5:30pm to approx. 6:30pm**. The entrance is to the right of the three-storey main building as you enter down the drive. Parking is available immediately outside as well as on the main car park.

I look forward to providing you with a warm welcome and speaking further.

Yours faithfully,

Mr G Langston-Jones
Headteacher
