Dear Parent & Student

AQA GCSE Art and Design: Photography 19th & 20th December

As part of the Photography course for GCSE: **AQA GCSE Art and Design: Photography** students are required to complete all coursework units.

This comes under **Component 1: Portfolio**. It consists of portfolio that in total shows explicit coverage of the four assessment objectives. It must include a sustained project evidencing the journey from initial engagement to the realisation of intentions and a selection of further work undertaken during the student's course of study. This is crucial to students so that they are given the best opportunity to secure these marks.

With that in mind, we have organised two days in the last week of term so that they can get all their portfolio completed with the right technical support and without having to break off what they are doing.

This will take place on **19th and 20th December**. The day will commence at 9.00am and will end at 3.05pm. Students will have normal break and lunchtime.

The days are an aid to make progress in order to achieve the target grade set by the school. If you have any queries on the above matter please do not hesitate to get in touch, you can contact me by email at fberta@netherstowe.com or by phoning the school.

Once again, I would like to thank you for your support in this matter.

Yours faithfully,

FBerta
