Student Acceptable Use Policy Agreement

School Policy

New technologies have become an important part of student life, both within Nether Stowe School and in their lives outside school. The internet and other digital information and communications technologies are powerful tools, which open up new opportunities for everyone. These technologies can start discussion, promote creativity. Students should have an entitlement to safe internet access at all times.

This Acceptable Use Policy is intended to ensure:

- That students will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- That school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.

Nether Stowe School will try to ensure that *students* will have good access to ICT to enhance their learning and will, in return, expect the *students* to agree to be responsible users.

Acceptable Use Policy Agreement

I understand that I must use Nether Stowe School ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users.

For my own personal safety:

- I understand that Nether Stowe School will monitor my use of the ICT systems, email and other digital communications.
- I understand that Nether Stowe School will store Biometric data on a student to ensure that a third party cannot access resources such as the cashless catering account or school printers without the permission of Nether Stowe School Administrator.
- I will treat my username and password like my toothbrush – I will not share it, nor will I try to use any other person's username and password.
- I will be aware of "stranger danger", when I am communicating on-line.
- I will not disclose or share personal information about myself or others when on-line, including photographs.
- If I arrange to meet people off-line that I have communicated with on-line, I will do so in a public place and take an adult with me.
- I will immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it on-line.

I understand that everyone has equal rights to use technology as a resource and:

- I understand that Nether Stowe School ICT systems are primarily intended for educational use and that I will not use the systems for personal or recreational use unless I have permission to do so.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not use Nether Stowe School ICT systems for on-line gaming, on-line gambling, internet shopping, file sharing, or video broadcasting (e.g. YouTube), unless I have permission of a member of staff to do so.

I will act as I expect others to act toward me:

- I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission.
- I will be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will not take or distribute images of anyone without their permission.

I recognise that Nether Stowe School has a responsibility to maintain the security and integrity of the technology it offers me and to ensure the smooth running of the school:

- I will only use my personal hand held / external devices (mobile phones / USB devices etc.) in school if I have permission from a member of staff. I understand that, if I do use my own devices in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment.
- I understand the risks and will not try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others, nor will I try to use any programmes or software that might allow me to bypass the filtering / security systems in place to prevent access to such materials.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.
- I will not open any attachments to emails, unless I know and trust the person / organisation who sent the email, due to the risk of the attachment containing viruses or other harmful programmes.
- I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings.
- I will only use chat and social networking sites with permission and at the times that are allowed

When using the internet for research or recreation, I recognise that:

- I should ensure that I have permission to use the original work of others in my own work
- Where work is protected by copyright, I will not try to download copies (including music and videos)
- When I am using the internet to find information, I should take care to check that the information that I access is accurate, as I understand that the work of others may not be truthful and may be a deliberate attempt to mislead me.

I understand that I am responsible for my actions, both in and out of school:

- **I understand that Nether Stowe School also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of images or personal information).**
- **I understand that if I fail to comply with this Acceptable Use Policy Agreement, I will be subject to disciplinary action. This may include loss of access to the school network / internet, detentions, suspensions, contact with parents and in the event of illegal activities involvement of the police.**

Please complete the sections on the next page to show that you have read, understood and agree to the rules included in the Acceptable Use Agreement. If you do not sign and return this agreement, access will not be granted to school ICT systems.

Student Acceptable Use Agreement Form 2016-17

This form relates to the student / pupil Acceptable Use Policy (AUP), to which it is attached.

Please complete the sections below to show that you have read, understood and agree to the rules included in the Acceptable Use Agreement. **If you do not sign and return this agreement, access will not be granted to Nether Stowe School ICT systems.**

I have read and understand the above and agree to follow these guidelines when:

- I use Nether Stowe School ICT systems and equipment (both in and out of school)
- I use my own equipment in school (when allowed) eg mobile phones, PDAs, cameras etc
- I use my own equipment out of school in a way that is related to me being a member of Nether Stowe School e.g. communicating with other members of the school, accessing school email, VLE, website etc.

Parent / Carer Acceptable Use Policy Agreement Template

New technologies have become integral to the lives of children and young people in today's society, both within schools and in their lives outside school. The internet and other digital information communications technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe internet access at all times.

This Acceptable Use Policy is intended to ensure:

- That young people will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- That school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- That parents and carers are aware of the importance of e-safety and are involved in the education and guidance of young people with regard to their on-line behaviour.

The school will try to ensure that *students* will have good access to ICT to enhance their learning and will, in return, expect the *students* to agree to be responsible users. A copy of the Student Acceptable Use Policy is attached to this permission form, so that parents / carers will be aware of the school expectations of the young people in their care.

Parents are requested to sign the permission form below to show their support of the school in this important aspect of the school's work.

Permission Form

Parent / Carer's Name

Student / Pupil Name

As the parent / carer of the above *student*, I give permission for my son / daughter to have access to the internet and to ICT systems at school for the duration of his/her time at Nether Stowe School.

I know that my son / daughter has signed an Acceptable Use Agreement and has received, or will receive, e-safety education to help them understand the importance of safe use of ICT – both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and ICT systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that my son's / daughter's activity on the ICT systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Policy.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety.

Use of Digital / Video Images

The use of digital / video images plays an important part in learning activities. Students and members of staff may use digital cameras to record evidence of activities in lessons and out of school. These images may then be used in presentations in subsequent lessons.

Images may also be used to celebrate success through their publication in newsletters, on the school website and occasionally in the public media.

The school will comply with the Data Protection Act and request parents / carers permission before taking images of members of the school. We will also ensure that when images are published that the young people cannot be identified by the use of their names.

Parents are requested to sign the permission form below to allow the school to take and use images of their children.

Permission Form

Parent / Carer's Name

Student / Pupil Name

As the parent / carer of the above *student*, I agree to the school taking and using digital / video images of my child / children. I understand that the images will only be used to support learning activities or in publicity that reasonably celebrates success and promotes the work of the school.

I agree that if I take digital or video images at, or of, Nether Stowe school events which include images of children, other than my own, I will abide by these guidelines in my use of these images. Photographs may be taken on the basis that they are for private retention and not for publication in any manner, including personal websites and social networking.

CONSENT FORM FOR THE USE OF BIOMETRIC/CCTV INFORMATION AT NETHER STOWE SCHOOL

Please complete this form if you consent to Nether Stowe School taking and using information from your child's *biometric fingerprint* as part of an automated biometric recognition system.

This biometric information will be used by *Nether Stowe School* for the purpose of *the school's Cashless Catering and Printing Systems*.

The CCTV footage is used within school for the purpose of investigation when incidents occur and to maintain your child's safety in school.

In signing this form, you are authorising Nether Stowe School to use your biometric information for this purpose until you either leave the school or cease to use the system.

You are also authorising the use of CCTV as needed.

If you wish to withdraw your consent at any time, this must be done so in writing and sent to Nether Stowe School at the following address:

*Nether Stowe School
St Chads Road
Lichfield
Staffordshire
WS13 7NB*

Once your child ceases to use the biometric recognition system, his/her biometric information will be securely deleted by Nether Stowe School. All CCTV footage is deleted at the end of each term.

Having read guidance provided to me by Nether Stowe School, I give consent to information from the *biometric fingerprint* of my child being taken and used by Nether Stowe School for use as part of an automated biometric recognition.

I understand that I can withdraw this consent at any time in writing.
