Dear Parent/Carer

## GCSE Food Preparation and Nutrition

I have provided your child with a revision guide for GCSE Food Preparation and Nutrition. This will complement resources used by the school and provide additional support for further improving your child's knowledge of GCSE Food Preparation and Nutrition.

This guide covers the full course in Food Preparation and Nutrition for the 2 year course and purchasing them through the school does ensure we get them at a discounted rate of £2.75

The revision guide provides a comprehensive resource for success at GCSE, is ideal for use throughout the course and is perfectly matched to the WJEC Edquas specification. There are a huge range of practice questions to test recall and application of knowledge.

I would be grateful if you would consider making a contribution towards the cost of the guide, however small, this would be very much appreciated. Although ParentPay is the preferred option of payment, if you wish to pay by cash, please contact the school office to request a bar code letter. This will allow you to then pay for the revision guides via PayPoint facilities.

Yours sincerely,

*S Stonehouse*
